**Your Post in 09**

It's been a very productive year at San Leandro Post 117 and we wish you would consider joining in on the business of your local post.

2009 was a year that saw San Leandro's first state convention in many, many years. Membership in it's newest program has doubled and the calendar of participation in service programs has doubled. Members of your post continued the fine tradition of service to our local community and supported activities up and down the state.

Uniformed Service members and Veterans from our community have received your support thru the many sponsored programs of the American Legion. The American Legion continues to provide one of the finest ways to honor those that served in the past and support those that serve today.

**From The Desk of the Commander Post 117**

To all Post legionnaires, now is the time to sign up for Paid Up for Life. The cost for this benefit will be increasing real soon. Contact Ron Galvan for the paper work 510-432-9021.

There has been two Post meetings and at each meeting the attendance has been increasing by 2 to 4 members. Please come to a meeting and renew old friendships. The meetings are run in a business like manner and do not last long as members understand the importance of these meetings and present information in a professional manner. Refreshments are served after the meetings. The Auxiliary is working to present a variety of refreshments after the meetings.

Our last meeting, was visited by the President of the Ladies Auxiliary. She requested Post support for their project to support two local schools, by providing funds to cover paper, glue sticks, and Kleenex. These much needed supplies had been cut from the school funding. Your Post 117 was able to provide support and did so. Any one else wishing to help in the Auxiliary efforts please Contact the President Jeannine at 510-782-2349.

Some up coming events are: the Post Legion dance There will be an Area 2 meeting on the 26 TH of Sept. We will need some help in setting up the main hall and help in the bar area as well. During the month of October there will be a special Auxiliary dinner. See the information in the Auxiliary news. Another event planned for the 4 TH of December is a movie night.

A special note to all delegates. If you have been appointed as delegates please attend some district meetings. Important matters are coming up & your votes will be needed. I hope all other committees and Legion groups will send in their upcoming information to this bulletin. We need to keep our members informed on what is going on in the Post and this bulletin I hope will help.

**A Proud Tradition in of Community**

The extraordinary Honor Guard of the 10th District continues the fine tradition of providing military honors at dozens of funerals across the bay area and beyond. The team now under the direction of Captain Ron Galvan has provided formal military services for over 50 funeral just since Jan. 09 . With an average age of 74 this dedicated group of veterans has traveled as far as Santa Nella, Gustine CA. for a single service only to be asked to stay and provide service at two other grave side services that afternoon. Their unique services have also been sought by families as far away as Seattle ,WA.. Please join me in applauding the efforts of these unsung Patriots.

Scholarship programs, Boys State opportunities, welcome home escorts for returning troops and community events are just a few of the ways your Post reaches out to aide, comfort or support in meaningful ways.
